*“Imagine struggling with all the skills your friends are tackling with ease”*

*“Imagine worrying constantly about embarrassing yourself in front of your peers”*

*“Imagine thinking you’re right, but discovering you’re wrong. AGAIN!”*

*“Imagine wanting to learn, but just not knowing how...”*

*“Or trying your best, but being told “you’re lazy”*

*“Imagine giving in because it’s just less painful”*

*“Imagine being super bright but feeling super dumb”*

Imagine being so misunderstood...

**It is said that between 10% - 30% of children today have  
a difficulty learning**

*And without help, nearly 40% of children and adolescents with learning problems DROP OUT of school.*

These difficulties **CAN** be overcome-

But **YOU** hold the key!!!

*Do you have what it takes to transform a  
child's life?*

## **FEATURING:**

### **Dr Lindsay Peer CBE: International expert from the UK**

**Dr Lindsay Peer** is an Educational Psychologist, Speaker, Author and Expert Witness. She is widely recognised as an expert on Dyslexia, Special Educational Needs and Mainstream Education.

In 2001, she was appointed **CBE** for services to Education & Dyslexia. (CBE- is a British honour of the Queen; "Commander of the most Excellent Order of the British Empire"- an order of chivalry in the British and other Commonwealth honours systems).

Lindsay was also awarded the Outstanding Lifetime Academic Achievement Award by the British Dyslexia Association in 2011 and she received a Science Council Chartered Science CPD award Commendation in 2017. She is registered with the Healthcare Professions Council and is chartered by the British Psychological Society. Lindsay has advised governments, policy makers, local authorities, educational institutions and children, Therapists, and families. She lectures extensively in the International arena and has published many articles, papers, and books- both theoretical and practical- including the first ground-breaking book linking 'Glue Ear' with Dyslexia.

Lindsay held the post of Education Director and Deputy CEO of the British Dyslexia Association until August 2003, following 20 years of practice as an Educator, Teacher-Trainer and SENCO in schools. She also has experience working with dyslexic bi/multilingual learners and those learning English as an additional

language.

# **YOU DON'T WANT TO MISS THIS!!!**

## **THE COURSE**

**LEARNING UNLOCKED** is an informative, powerful and inspiring mini conference aimed at providing Paediatric Professionals with the insight, skill and tools to successfully identify, manage and unlock the learning potential of **every** child.

Presented by one of the UK's most highly respected and sought-after experts on Learning Difficulties, this mini-conference will explore **LEARNING** holistically, unravelling the mysteries of how children learn, with a focus on when learning fails and why some children struggle to learn. Debunking myths and clarifying the facts, this conference will confront the complexities of learning difficulties, with a closer look at 4 of the main types, namely **DYSLEXIA, DYSPRAXIA, DYSGRAPHIA & DYSCALCULIA**. Drawing on her wealth of knowledge and experience as well as international research and best practice, Dr Lindsay Peer will empower Professionals with insight, skill and **PRACTICAL** tools and techniques to make learning accessible for **every** child!

Guaranteed to stimulate, challenge, inspire and empower, **LEARNING UNLOCKED** is a golden opportunity to develop your expertise, keep abreast of international trends and developments and learn from the very best!

Professionals will be accredited with **3 HPCSA CPD points** and **5 SACE points** for attending the "LEARNING UNLOCKED" mini conference.

### **Other areas to be addressed:**

- Key contributing factors to the development of a learning difficulty
  - How to effectively interpret presenting signs and symptoms
